## **Rotary International District 7980**

# Operating an Interact Club:

# Sample Documents from Clubs in Rotary District 7980

**Published by the Interact District Officers** 

Every Interact club should have a budget. The Guilford High School Interact Club tracks its club income and expenses throughout the year. This sample budget only shows club income and expenses through December. When a club follows a similar event schedule each year, they can estimate their budget with greater accuracy.

## **ANNUAL BUDGET - THRU DEC 1**

	EST	Actual
<b>BEGINNING OF YEAR</b>	\$ 1,557.00	\$1,557.00
INCOME		
DONATIONS	\$0.00

Every Interact club should maintain a spreadsheet of their activities throughout the year. The Daniel Hand High School Interact Club tracks every club activity and event attendance. Roughly every two weeks their Interact club is participating in an activity, event, or project. Scheduling events regularly helps engage and retain members, as well as increase their club's impact in the community. Club members are also share the responsibility of chairing each project, allowing members to contribute in a big way.

### ANSONIA HIGH SCHOOL'S INTERACT CLUB

#### PRESS RELEASE - December 2009 - For Immediate Release

Every Interact club should submit press releases to school newspapers and local media. The Ansonia High School Interact Club employs this strategy to share about their club's accomplishments.

ANSONIA, Conn. - Interact is an international service club for young people ages 14 to 18. Interact clubs are sponsored by individual Rotary clubs, which provide support and guidance, but they are self-governing and self-supporting. This makes it possible to choose and carry out service projects that individual Interact members care about!

During the 2008-2009 school year, the Ansonia High School Interact Club was re-activated and made a significant effort to increase its dedicated membership base and come up with fun and unique ways of improving our local and international community. With local Rotarian support, we have been successful in increasing the strength, size and involvement of our membership base. We are confident that our club will continue to complete service projects that will improve our community and further international understanding and goodwill. We have a lot of underclassmen members and are already talking about projects for next term and next year, like a school-wide dodgeball tournament to fundraise for multiple causes and organizations. We'd like to thank our local Rotary members for their continued support and dedication.

The timeline below highlights our students' hard work and community service projects:

#### 2008-2009 School Year

**November:** Stuffed Animal Drive – over 300 animals collected and donated to local and international

sites – Ansonia police department, beaniesforbaghdad organization

**December 17:** Interact members sang Christmas carols at Crosby Commons in Shelton with Valley United Way

**February 6-8**: Two students attended the RYLA conference in Stratford, Conn.: SARAH PHIPPS & TYLER POQUETTE

March: "Valley Has a Heart" Food Drive. All proceeds went to the Spooner House

**April 25:** Supply, Stock and Serve at Spooner House – 10 Interact and Rotary members volunteered

**June 27:** Alliance for Lupus Research Walk to Cure Lupus at Nolan Field: Interact Club raised over \$500

#### 2009-2010 School Year

**September**: 12 Interact members participated in the 3<sup>rd</sup> annual Harvest House, sponsored by Valley United Way

**November:** Gift baskets created by Interact member donations – all proceeds went to Valley Food Bank

**November 13-15:** Two students attended the RYLA conference in Stratford, CHARLIN PEREIRA & DANIELLE TODD

**December:** Nothing but Nets Campaign-Help prevent the spread of malaria in Africa by raising awareness, and money to purchase bed nets

**December**: Adopt-a-Family- program through Valley United Way- \$220 raised to purchase aifts for a family of 5

For more information on	now community members and local organizations can get involved
contact	, Interact Club Advisor, Ansonia High School,

Every Interact club should have its own website. The Trumbull High School Interact Club created their own free website through a free web-hosting company. Their website not only serves to inform club members, but also allows the community to learn more about their club. Maintaining an online presence will contribute to the success of your club in the 21st century.

#### WELCOME!

The Trum bull High School Interact Club, sponsored by the Trum bull Rotary Club, is a community service oriented club open to all students at THS. Throughout the year, we uphold Rotary's mission of "service above self" by engaging in a variety of service projects. Some of our most notable projects include the Valentine's Day carnation sales, tutoring elementary school children through the STEP program, and participating in the Clothesline Project with Trumbull Rotary. As our club continues to grow and develop, it is our mission to expand our service both locally and internationally, while strengthening our partnership with Trumbull Rotary. All service hours earned through the Interact Club can be used towards your Trumbull High School graduation requirement. For more information, follow us on twitter @InteractThs or email us at interactclubths@gmail.com. Club members are also encouraged to join our facebook group too. Meetings are held after school in the Career Center.
